**LOVE - When contemporary art meets love**

Rome, Chiostro del Bramante, from 29 September 2016 to 19 February 2017

On the occasion of its 20 years of activity, the Cloister of Bramante brings together for the first time the m

For the occasion, Zeranta revolutionises the concept of audioguide, transforming the one-dimensional u

The spirit of LOVE could not be grasped better. The exhibit of exponential works on the universal sentim

And the most classical of the museum fruition tools is transformed into five audio stories of the exhibition

Love is always a form of self-recognition and, as in the loving journey, the identity of the five partners is
